

Hospitality Furniture

PRODUCT RELEASE - C

Issue: 045
Date: 20th of January 2011

Catalogue Section: Outdoor Seating
Product Manager: Troy Searle

Subject: Cosmo Seating Collection

Function, style, comfort and quality are key words when it comes to furniture design and our new Cosmo seating collection delivers on each.

The Cosmo collection is strong in design due to the thick gauge aluminium, precision welded frames and synthetic rattan wicker material. The polished anodised aluminium frame provides a high end finish and excellent protection from the elements. The synthetic wicker is expertly woven and provides superior durability and further enhances our outdoor seating range.

Due to the rattan wicker materials excellent ageing qualities and strength, the maintenance means there is no need for it to be treated. It is best known for being mould resistant, washable and fade resistant. It simply needs a clean with warm water and wiped dried.

The Cosmo seating collection is backed with a 2 year manufacturer's warranty and meets the standards required by hotels, cafés, restaurants and resorts.
