Subject: Side Mount Pull-Out Organizers

TRADECRAFT

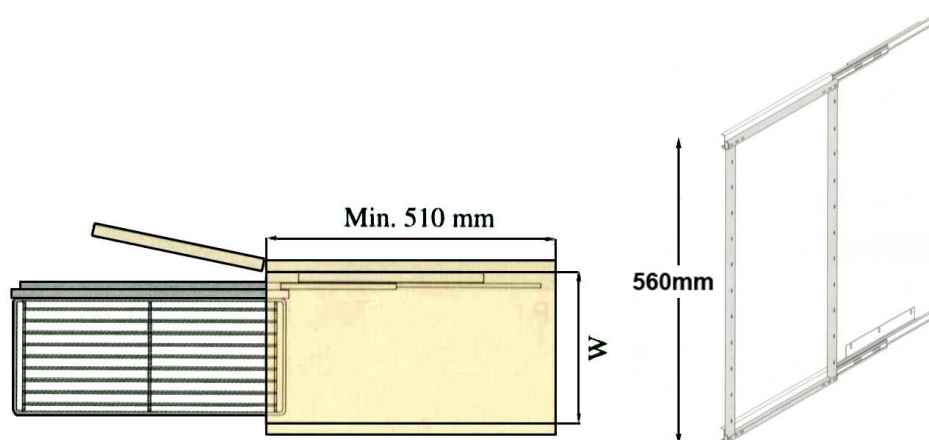

We are pleased to advise you of the return of Side Mount Pullout organizers to our range of Tradecraft kitchen storage.

Side Mount organisers are ideal for small width base cabinets and because they are side mounted they can be easily be fitted to cabinets of in between sizes.

Sliding on full extension ball bearing slides, each kit contains 3 height adjustable 75mm x 470mm baskets. We are stocking three widths, for 200mm, 300mm and 400mm cabinets (external).
