*Icon*

*Ergonomic • High strength • Functional • European Styling*

It is not every day that a chair that is destined to become a design classic comes along.

*Icon* is such a chair with its simplistic beauty born of strong lines and shapes that are proportionate from every angle. The curving metal frame provides support with a curving shape that embraces the body in a synthetic, effective design that delivers ergonomic support while not compromising on comfort; making the *Icon* ideal for use in a wide variety of office, meeting and training space situations.

*Icon* is available in a variety of options that enables easy personalisation. Manufactured to very high standard of quality, it is backed with a full 5 year warranty.

The *Icon* is a chair of timeless styling, indifferent to fashion and trends.
