

## Chair and Office Components

### PRODUCT RELEASE - C

**Issue:** 050  
**Date:** 4<sup>TH</sup> of March 2011

**Catalogue Section:** Chair Backs  
**Product Manager:** Kent Swan

**Subject:** Lucido Low Back

Introducing the newest addition to the Artia Chair Back range, the **Lucido Low Back Set**. Slightly smaller than our traditional Lucido medium back, the Lucido Low back is ideally suited to budget and Student task chairs.

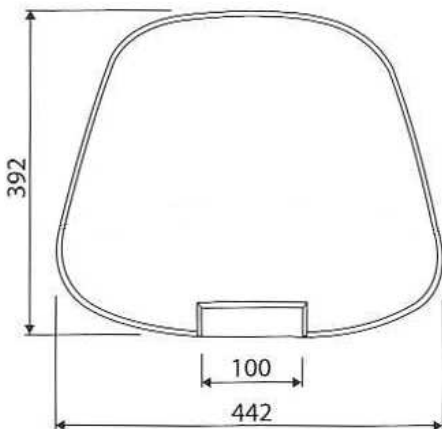

*Lucido Low inner: 692.41161.622*

*Lucido Low Outer: 692.41201.622*

### Technical Specifications & Compatibility

The Lucido Low back is moulded from recyclable PP and is stamped with the appropriate recycling logo.

As with the other new backs in the Lucido family, the Low back features a 4 point clipping system. This system provides ease of assembly and a secure fix.

The Lucido Low Back features 6 T-nuts with the 100 x 30 and 100 x 60 mounting patterns available. This gives it the versatility of being compatible with a range of mechanisms including both traditional oval back upright and ratchet configurations (see below for Lucido Low Back Chair package).

## Lucido Low Back Budget Chair Package

Below is an example of a Lucido low back chair package for manufacturers looking to purchase the back in a complete chair kit form. The package contains all the necessary components to construct a chair with the exception of foam and fabric.
