The Recess / Jewellery for Cabinets

We are pleased to introduce into Artia a new range of recessed pulls and quality glass and crystal knobs.

Modena is a 71mm diameter “inset knob”. The design allows you to drill a hole right through the door front and the knob

screws into itself from the rear. Available in anodised brushed nickel, chrome and satin aluminium finishes. Suitable for doors from 16mm to 19mm with 58mm drilling.
