**Catalogue Section:** | Knobs & Handles

***Part 5 and final in our series of handle releases  
This release features stainless steel and Design handles***

## Design Style

We are pleased to introduce into Artia a new range of quality design style handles. These handles have been especially selected to offer a wider offering to designers and architects of quality and affordable handles.

## Milano

is a 6 x 12mm profile stainless steel handle range, with 12mm x 12mm ends.

This handle is a good option for customers who like the 12mm square design, but want the additional room to fit a hand behind the handle. Made of solid 304 grade stainless steel sizes from 96mm to 512mm c/c.

Item Number	Fin	C/C	L	W	P	Outer Qty	Inner Qty
055422	320	96	108	12	32	200	20
055424	320	128	140	12	32	100	10
055426	320	160	172	12	32	100	10
055428	320	192	204	12	32	100	10
055430	320	224	236	12	32	100	10
055432	320	256	268	12	32	100	10
055436	320	320	332	12	32	100	10
055438	320	416	428	12	32	50	10
055440	320	512	524	12	32	50	10

## Tivoli

is a new 19mm flat front handles range. Made of tubular 304 grade stainless steel with a triangular rear profile, this handle is made from far less material than our other stainless handles so comes in at an attractive price point for a handle of this size in stainless steel.

Item Number	Fin	C/C	L	W	P	Outer Qty	Inner Qty
055452	320	96	108	19	34	100	20
055453	320	128	140	19	34	100	20
055454	320	160	172	19	34	100	20
055456	320	224	236	19	34	100	20
055459	320	320	332	19	34	100	20
055462	320	416	428	19	34	60	20
055464	320	480	492	19	34	60	20
055466	320	640	652	19	34	30	10

**Bari** is a 12mm diameter stainless bar handle with zinc ends. The rounded bar profile extends onto the ends to form a modern shape. Available in sizes from 96mm to 640mm c/c.

Item Number	Fin	C/C	L	W	P	Outer Qty	Inner Qty
055402	320	96	108	12	32	100	25
055404	320	160	172	12	32	100	20
055406	320	224	236	12	32	50	10
055409	320	320	332	12	32	50	10
055412	320	640	652	12	32	50	10

**Ancona** is a stylish 12mm square aluminium handle with slightly rounded ends. As with the Milano above, this handle design is a variation on the 12mm square for clients who don't like the sharpness of the square handles.

Item Number	Fin	C/C	L	W	P	Outer Qty	Inner Qty
055472	412	96	108	12	30	250	25
055473	412	128	140	12	30	250	25
055474	412	160	172	12	30	100	25
055475	412	192	204	12	30	100	25
055476	412	224	236	12	30	100	25
055477	412	256	268	12	30	100	25
055479	412	320	332	12	30	100	25
055481	412	416	428	12	30	100	25
055483	412	512	524	12	30	100	25

## Curve

is a design bow handle.

Available in 128mm c/c only in satin chrome, brushed nickel and matt nickel finishes.

Item Number	Fin	C/C	L	W	P	Outer Qty	Inner Qty
055102	388	128	143	20	26	250	25
055103	412	128	143	20	26	250	25
055104	394	128	143	20	26	250	25

This concludes the Art of Handles series of releases. The Art of Handles 8 page brochure is available now for download at our website.
