We are pleased to announce the introduction of the Reno flip top folding table bases.

With the continued support of our customers, we have included these bases based on their feedback. The single pedestal provides a great outdoor base that can offer smaller cafés / restaurants the space to store additional bases for large events or if they simply get short of tables when busy.

All our Reno flip top bases are backed with a 1 year manufacturer's warranty. All meet the standards required by hotels, cafés, restaurants and resorts.
