

PRODUCT RELEASE - C

Issue: 036
Date: 18th of October 2010

Catalogue Section: Seating Outdoor Stools
Product Manager: Troy Searle

Subject: Outdoor Stool Frames

We are pleased to announce the introduction of the two most sold stool frames to our range of imported products.

The Tower has the option to use our polyurethane stool tops due to the hole centres suiting the hole patterns of the mounting top plate of the frame.

All our stool frames are backed with a manufacturer's warranty as detailed in product specifications further down the release. All meet the standards required by hotels, cafés, restaurants and resorts.

Product Specifications:

Below are the product specifications of each item;
